Manuscript Data

✓ Title Page

✓ Blinded Manuscript

Please upload your manuscript without any author names placed within the text (Blinded Manuscript) and provide any additional items if needed. You may upload these files individually or as a single zip file. In case of any issues, please use the "Contact Us" link.

Read further for tips with LaTeX submissions

- Do not use subfolders

- Upload and declare the main TeX file as type "Manuscript"

- The main manuscript TeX file must be the first item

- If applicable, upload TeX supporting files as supplementary material

- Upload any style files that are not part of the TeX Live distribution

- Upload a PDF reference of your TeX file as supplementary material

- Convert special characters into appropriate TeX code

- Any errors will be shown in the later generated PDF

For further help you may refer to this help page.

This journal has a policy concerning the deposit of any data that supports research findings, in a public repository. Please see further guidance and editorial policy compliance requirements and options, specific to this journal, at the bottom "Instructions For Authors", in the header bar.

Please respond to the presented questions/statements.

Questionnaire

Declarations

Have you included a "Declarations" section in your manuscript including all of the subheadings listed below and the relevant information under each?

- Ethics approval and consent to participate
- Consent for publication
- Availability of data and material
- Competing interests
- Funding
- Authors' contributions
- Acknowledgements

Click here for information on what should be included under each heading.

As this journal operates a double-blind peer review system, please do not include identifying information in your main manuscript as this must remain blinded. If sections of your manuscript such as "Authors' contributions" or "Competing interests" contain identifying information, please include these as a separate file and upload the file using the "Title Page" option at the Attach Files step.

Please use the "Contact Us" link above if you require further assistance.

Answer Required: ☒ I confirm I have provided a complete response

SpringerOpen License Agreement

You must accept and confirm the conditions of submission as follows:

All authors of the manuscript have read and agreed to its content and are accountable for all aspects of the accuracy and integrity of the manuscript in accordance with ICMJE criteria. The manuscript is original, has not already been published, and is not currently under consideration by another journal. That you agree to the terms of the SpringerOpen License Agreement, which we strongly recommend you read.

For authors who are prevented from being copyright holders (for instance where Crown Copyright applies or researchers are US government employees) SpringerOpen can accommodate nonstandard copyright lines. If this applies to you, please contact us and provide details of your situation.

By submitting your article for consideration, you acknowledge that if you are recognised as affiliated to an institution or funder with a Springer future open access agreement, your name and contact details may be shared with a representative from that institution or funder in order for us to verify whether they agree to cover, in full or in part, the article processing charge (APC) that is payable upon editorial acceptance of submitted articles.

Answer Required: ☐ Please select a response ☒ Yes, I am the author responsible for the submission and the SpringerOpen License Agreement as detailed above.

Publication Charges

Built Heritage is an Open Access publication and an article-processing charge (APC) is levied on articles that are accepted for publication by the Editors. The APC for this journal is covered by Tongji University.

To proceed, please click 'view Publication Charges' and then 'Continue'. As the next step, you will be brought back to this page where you will then be able to click the 'Proceed' button below.
